

Open The Doors

Written and arranged by Mark Puddy

Chorus

Time to open the doors,
Time to open your heart.
Time to welcome each other
Time to make a new start
Show Mercy! Let people in,
If the doors are open the light can flood in
Throw the doors wide open
Then light can flood in

Verse 1

Open the doors for someone
Welcome and let them in.
Turn the light on for someone
Light up the darkness within
Set a place at your table
Welcome the hungry in.
Pour a drink for the thirsty
Open the doors and begin!

Verse 2

Bring down the walls that divide us;
Take out a brick everyday
Build a bridge closer between us
Seek a compassionate way.
Shoulder the load for someone
No matter what it'll weigh;
Spread your arms wide for someone
Welcome a brand new day!

Bridge

Open the doors for someone
Welcome a brand new day!
Brand new day!
Open the doors
Send a bright light shining in
Open the doors
Send a bright light shining in
Open the doors
Welcome a brand new day!
Brand new day!

Chorus
