

AUSSIE a3 ADVENTURES

The Australian School of Performing Arts, through its [a3 program](#), works with teachers and students to present fun and engaging performances.

An Aussie Adventure

'An Aussie Adventure' tells the story of Amelia Eggheart who is an ambitious Partridge from Britain.

Amelia, who is visiting Australia for the first time, takes a wrong turn and accidentally lands in Darwin. Her Aussie adventure sees her meet some interesting characters in iconic locations. Steve, the pro-surfer wombat and Frederick the frog help on water, and a range of other characters including a kangaroo named Skippy and an old man emu show her the way on land.

Amelia is overwhelmed by how many friendly strangers helped her to reach her destination and learns that helping out a mate is the Australian way.
